The staff is comprised of local public and private school coaches who played and/or coached at the college level. We will also have current college and high school players assisting.

The campers will be challenged to develop all phases of the game with a daily emphasis on their primary position(s). The remainder of the morning campers will be put through a variety of drill work related to Outfield and Infield fundamentals, Hitting/Offensive Approach and Pitching.

Throughout the day we will also be focusing on higher level baseball concepts such as team defense (Bunt Defense, 1st and 3rds, OF/INF Communication), double cuts/cuts and relay dynamics, base running (steal breaks, delays, 1st and 3rds) and Pick Off's/Pitchers Fielding Practice (PFP's).

Campers will also be receiving objective feedback on daily basis. Throughout the week we will be measuring the following:
