

Zanni Lewis Volleyball Camps

Summer 2024

Coach Scott Zanni has run successful volleyball camps for 20 years and is joined this year by Coach Paige (Sekerak) Lewis as co-director. The directors are committed to delivering a quality camp that focuses on developing skills in a fun atmosphere. Registration is OPEN. There are three camps this summer that are sponsored by **Olney Boys and Girls Club**:

Beginner Camp

June 24-27, cost \$150

6:00 PM - 9:00 PM at Sherwood High School

Girls & boys ages 10 through incoming high school sophomores

This camp is for players who are either new to organized volleyball or have only middle/high school PE volleyball experience or limited (rec) team play experience. The camp focuses on the basics of volleyball including the rules, positions, basic skills, and offensive and defensive systems. *Email obgcadm@obgc.com before registering for a \$25 sibling discount!

Intermediate Camp

June 24-27, cost \$150

6:00 PM - 9:00 PM at Sherwood High School

Girls & boys ages 12 and under

Designed for players with previous club/travel volleyball team experience and who want to continue to improve and refine their basic skills. **Previous travel/club experience is required.** Campers will receive training in the various positions of volleyball along with plenty of opportunity to utilize offensive and defensive systems in team play games. This camp will focus on continuing to improve passing, setting, attacking, defensive and serving skills while providing many opportunities for competitive team play.

Intermediate/Advanced Camp

July 8-12, cost \$390

9:00 AM - 3:00 PM at Adventist HealthCare Fieldhouse

Girls ages 13 through incoming high school seniors

Campers must have previous playing experience on a competitive varsity, junior varsity, or club girls volleyball team. Adventist HealthCare Fieldhouse is the premier indoor facility in Montgomery County and is one of the few summer camps with air conditioning! We hire only college and high school coaches or current/former collegiate volleyball players for this camp, there are no high school aged counselors at this camp.

This camp is a fast-paced, fun, and well-designed training camp that will focus on refining individual skills and techniques along with team skills such as offensive and defensive formations and game strategies that will further the camper's skillset. We will also focus on specific techniques for individual positions, often led by coaches/athletes who play that position. Being able to train and dialogue with a variety of college players as counselors brings another dimension to the entire camp experience. Register early! This camp has sold out for 16 straight years!!
